Greetings,

The Rocky Mountain Conference United Methodist Foundation is pleased to announce that you now will be able to receive your account statements online! In order to be good stewards of resources, we are asking all account holders to access their statements electronically if possible.

Please download the ONLINE REQUEST FORM and list each email address for persons at your church who should receive monthly statements. For security purposes, it will be imperative to keep this information updated with the Foundation.

After receiving ONLINE REQUEST FORM, each person will receive a password via email. Please note my email address below.

Then each person can then access the church statements at <https://coumf.umfstatements.com>. Each person's user name will be their email address. Each person will be notified by email when the end-of-month statements are ready.

Important Note: The customer and asset statements are valued only at end-of-month and will remain accessible for at least the last twelve months.

We welcome your questions and comments. Please contact us by phone or email. Thank you again for letting us serve your needs.

Sincerely,

Martha
